CAPTAINS

Captains who employ or contract workers on a fishing vessel have responsibilities under the Occupational Health and Safety Act.

Do you know your health and safety responsibilities?

- **Provide** a safe and healthy workplace. A fishing vessel is considered a workplace.
- **Make sure** that workers receive safety information, instruction, training and supervision.
- **Make sure** that equipment is guarded and that tools and personal protective equipment are properly used and maintained to protect workers.
- **Support** safety activities and **cooperate** with safety officials.
- **Conduct** hazard assessments and **prevent** exposing workers to hazards.
- **Report** serious incidents to the WCB of PEI.
